OUR CATHOLIC SCHOOLS 2006-07 DISCUSSION: POWER POINT SLIDES

This section contains Power Point slides that may help in the discussion of the **Our Catholic Schools 2006-07 Discussion**. These slides may be presented using an LCD projector and laptop OR if audio visual equipment is not available or preferred a print out of each slide is included in this kit and can be copied and distributed to each Discussion Group participant.

Discussion slides contain thought-provoking quotations from a number of speakers, documents and books on Catholic education. Some will help introduce the discussion and set its context. Others are to be used in conjunction with Section “D” of the Discussion Kit (Discussion Points). They provide ideas to which participants can respond and react.

Each quote is followed by a notation that indicates the section of the kit to which it is most relevant (e.g. DP 4b).
